

contain in close proximity to the word "spinach" such additional words or phrases that will avoid misleading or confusing the consumer.

6.1.3 When any ingredient, other than salt, has been added which imparts to the food the distinctive flavour of the ingredient, the name of the food shall be accompanied by the term "with x" or "x flavoured", as appropriate.

6.1.4 The words "quick frozen" shall also appear on the label, except that the term "frozen" may be applied in countries where this term is customarily used for describing the product processed in accordance with Section 2.2 of this standard.

6.2 *List of Ingredients.* A complete list of ingredients shall be declared, in descending order of proportion in accordance with Section 3.2(c) of the *General Standard for the Labelling of Prepackaged Foods* (Ref. No. CAC/RS 1-1969).

6.3 *Net Contents.* The net contents shall be declared by weight in either the metric system ("Système International" units) or avoirdupois or both systems of measurement as required by the country in which the food is sold.

6.4 *Name and Address.* The name and address of the manufacturer, packer, distributor, importer, exporter or vendor of the product shall be declared.

6.5 *Country of Origin.* The country of origin of the product shall be declared if its omission would mislead or deceive the consumer.

6.6 *Lot Identification.* Each container shall be embossed or otherwise permanently marked, in code or in clear, to identify the producing factory and the lot.

6.7 *Additional Requirements.* The packages shall bear clear directions for keeping from the time they are purchased from the retailer to the time of their use, as well as directions for cooking.

6.8 *Bulk Packs.* In the case of quick frozen spinach in bulk, the information required in Sections 6.1 to 6.6 shall either be placed on the container or to be given in accompanying documents, except that the name of the food accompanied by the words "quick frozen" (the term "frozen" may be used in accordance with Section 6.1.4 of this standard) and the name and address of the manufacturer or packer shall appear on the container.

7. *Packaging.* Packaging used for quick frozen spinach shall:

- Protect the organoleptic and other quality characteristics of the product;
- Protect the product against microbiological and other contamination;
- Protect the product from dehydration and, where appropriate, leakage as far as technologically practicable;
- Not pass on to the product any odour, taste, colour or other foreign characteristics, throughout the processing (where applicable) and distribution of the product up to the time of final sale.

¹ "Frozen": this term is used as an alternative to "quick frozen" in some English speaking countries.

Interested persons may, on or before November 2, 1982, submit to the Dockets Management Branch (address above) written comments regarding this proposal. Two copies of any comments are to be submitted, except that individuals may submit one copy. Each comment should identify the title of the Codex standard and the docket number found in brackets in the heading of this document. Received comments may be seen in the office above between 9 a.m. and 4 p.m., Monday through Friday.

Executive Order 12291 does not apply to regulations issued in accordance with the formal rulemaking provisions of the Administrative Procedure Act (5 U.S.C. 556, 557). Food standards promulgated under 21 U.S.C. 341 and 371(e) fall under this exemption. However, any comments submitted in support of establishing a U.S. standard for this food should be supported by appropriate information and data regarding impact on small businesses consistent with the requirements of the Regulatory Flexibility Act (Pub. L. 96-354).
